

With so many issues confronting Democrats today it's hard for volunteers and activists to know where to begin. Are you interested in executive decisions coming out of Washington? Local or state legislation? Upcoming ballot issues and elections?

The Beaches Democratic Club Offers Opportunities for Action!

Network with like-minded people, meet new friends, participate, and make a difference.

Help us guard our Democracy today!

Meeting Date and Location

The Beaches Democratic Club is growing. Join us today! The club meets every third Tuesday at the Neptune Beach Activity Center, 450 Atlantic Boulevard (behind the CVS).
Socializing 6:30 - 7:00 pm
Club meeting 7:00 - 8:30 pm

**Dedicated to
Strengthening
Democracy
by Electing
Democrats**

Representing Northeast Florida
Beaches and Beyond

The Beaches Democratic Club is the longest running Democratic organization in Duval county.

The club provides programs to inform voters about local, state and national issues and Democratic Party candidates seeking office. We also work to encourage voter registration and voter turnout for elections.

Recent meetings have featured a state senator, local mayors, city council members, the St. Johns Riverkeeper, university professors, and officers of national organizations.

Our members are active in many regional and national activities and events, representing the club at marches, in hearings, and on committees to further democratic concerns.

The Beaches Democratic Club is certified by the Duval County Democratic Executive Committee and the Florida Democratic Party.

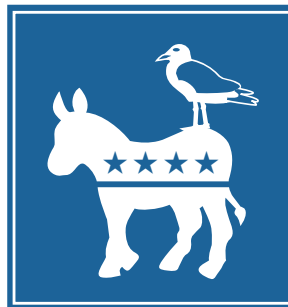

Beaches Democratic Club goal: to strengthen democracy by electing Democrats

We are focusing on activities that address immediate issues and improvements that will enhance our ability to support the election of Democrats.

We are educating members, stimulating active interest in political and governmental affairs, and furthering the ideals and principles of the Democratic Party.

And we are fostering good fellowship among Democrats and progressives at this critical point in our history.

We need your help and welcome your involvement!

Activities that you could be involved in right now:

Outreach

To enhance and clarify Beaches Democrats' presence in the community through collaboration and online communication.

Education

To identify, research and provide tools and information on critical topics to assist Democrats in being effective spokespeople for the party.

Precincts

To recruit effective precinct committee people and develop strategies for how the Beaches Democratic Club can support their work.

Operations

To ensure that our club's bylaws and structure enable us to be as efficient and effective as possible.

Not sure how to get involved? Come to a meeting or contact us. We'll help you put your talents to good use!
